

For Immediate Release

Elliot St. Car Park Goes Live

Hamilton – 2 March 2018

The City of Hamilton advises the public that Elliot Street Car Park is nearing testing completion and is scheduled to go live on Monday, March 5th.

Elliot Street Car Park will have its two-lane entrance on Elliot Street ONLY. There will be NO entrance from Dundonald Street. There will be three exit lanes – two onto Dundonald Street and one onto Elliot Street. Pricing at Elliot Street will remain the same - \$1 per hour with a maximum of \$5 per visit. As with the other barrier lots, if leaving Elliot Street car park within 10 minutes of entering, scan your ENTRY ticket at the exit at no cost. Pay stations or EasyPark Mobile must be used if time in the lot extends past 10 minutes. Payment is made at the end of your stay, not upon entry. Upon payment, motorists will have 15 minutes to leave the lot using their validated EXIT ticket. A total of four pay stations will be used in the lot and the system will still operate as a 2-ticket one. A move to a 1-ticket system is being explored for all barrier lots and will be implemented in the near future.

Those parking in the Elliot Street lot are encouraged to familiarize themselves with the upgrades, changes and signage posted in the lot.

The public is reminded that CCTV cameras will be in operation at the entrances as well as the exits of the lot. Any attempt to defraud the payment system will result in prosecution.

The City apologizes for any inconvenience caused throughout the duration of this project and thanks the public for its patience.
