

Covenant Presbyterian Church in Racine is seeking a Co-Pastor for a 30 hour/week stated supply position. Our Co-Pastors share equally in the preaching and pastoral care of the congregation and determine how to share all other responsibilities of the ministry according to their passions and gifts. Covenant is a warm, welcoming, inclusive congregation of approx. 300 members. Our building is in excellent condition and we are financially healthy, but even more importantly we are a spiritually curious and engaged congregation who is deeply committed to loving God and neighbor in tangible, visible, powerful ways.

We are seeking a pastor who can join with our current co-Pastor and lead with us in creative and meaningful worship, mission which leads us out into the community and world, care for one another in authentic relationships, and the study and growth in our discipleship of all ages. Benefits and compensation exceed the Presbytery minimum requisites (and include a lot of amazing potlucks!).

Interested candidates should submit resumes to Personnel Chair, Eddy Huffman at eddyh92306@gmail.com.
