

Dear **MOAR** Friend,

September is National Recovery Month! * It is a time to spread the message that **prevention works, treatment is effective and people can and do recover!** Recovery Month is an opportunity to increase awareness and understanding of mental health and addiction, and celebrate the people who recover.

MOAR invites you to sponsor, plan, and/or participate in our 27th Recovery Month Celebration. The **MOAR** mission is to organize recovering individuals, families, and friends into a collective voice to educate the public about the value of recovery from alcohol and other addictions.

Your face and voice are **MOAR** wanted and needed!

Join **MOAR** for Our 27th Anniversary Celebrating Recovery Month. Your sponsorship promotes the societal benefits of addiction prevention, treatment, and recovery! It lauds the contributions of treatment and service providers, and promotes the message that recovery in all its forms is possible. Recovery Month spreads the positive message that addiction recovery is essential to overall health, that prevention works, treatment is effective and people can and do recover.

Today, we share this day with all those that have helped with past and present support to make this anniversary happen. We look forward to a time when celebrating recovery can also mean that the devastation of overdoses is seldom experienced.
