

# Your Aurora Healthcare Resources

## Your Onsite Case Manager and Nurse Navigator are advocates

who can help you navigate the  
health care system by:

- Building trusting, collaborative relationships with you and your family
- Connecting you with appropriate health care professionals as needed
- Answering your general health care questions
- Helping you coordinate care for chronic diseases and at-risk conditions
- Working with you and your physicians to create treatment plans
- Working with you to identify and resolve barriers to increase your opportunities for success
- Assisting you in coordinating appointments
- Accompany you and family members to physician appointments
- Encouraging and facilitating age-appropriate preventive screenings
- Providing wellness coaching

**High-risk conditions with proactive outreach by the onsite case manager include:** *diabetes, asthma, high cholesterol, hypertension, obesity, smoking.*

*For personalized assistance based on your unique needs, please call:*

**Sue Habighorst, RN, BSN** *Aurora Onsite Case Manager* 920-360-3514  
sue.habighorst@aurora.org
