

**Joe and Joyce Schrader cordially invite you to the 7th Annual Gathering of Eagles Convention, March 3rd & 4th in OKC.**

We are so happy that **Jonathan Edwards from Wales, UK** will be ministering during the convention. He has been involved in Christian ministry for over twenty years.

His calling is to be a prophetic voice to the nations. Jonathan's heart is to see revival, spiritual awakening, and unity in the body of Christ.

Jonathan has a passion to see people saved, restored, set free and equipped with the word of God. He regularly sees signs and wonders, and healing following the preaching of the word.

His function for many years was pastoring local churches within the United Kingdom. Now he travels to the nations with his wife Anna, encouraging and strengthening the Church of Jesus Christ.

Jonathan and Anna are happily married and live in South Wales. They are authors who have recently published, Healing Flows. Through this publication many people have been healed.
