**This year gain more control
of your property's accounts.**

Our Leave on for Landlord program allows for continued gas service between tenants and automatically alerts you when renters move out. Gain more control and enjoy:

Easier account management.

Easier transfer between tenants.

No service appointments.

Once you enroll, gas service reverts into your name as of the date your tenant disconnects. Your enrollment can be canceled at any time.

Visit www.ngrid.com/ny-landlord for an enrollment form and additional program information.
