Family Camp & Ropes Camp

2017

Family Camp:

August 24-27, 2017

Family Camp is a session for all ages! Campers ages 0-100 can come and laugh, sing, play and pray together! Enjoy our new paddle boards, swimming, boating, fishing, the adventures of our zip lines and rock wall, archery, or simply relaxing by the pool or river. At Family Camp, the choice is yours! This is the perfect opportunity to reunite with camp friends.

Family camp is also a great way to introduce a younger child to camp. Families have come to family camp and their children loved it so much, they became First Session campers the very next summer. Enjoy an active, outdoor, unplugged, technology-free, affordable vacation with your family at Camp Chanco Family Camp this summer! With all meals and activities included, Family Camp is a bargain at \$125 per person to stay in the chalets or \$225 per person for motel lodges.

Ropes Camp:

July 23-28, 2017

Ropes Camp is for ages 12-16 and provides another one-week camp option for our older campers. Challenge yourself to new heights with more time on zip lines and high elements. Only Ropes Camp campers get to experience a night zip lining adventure! Develop ropes course facilitator skills, participate in team building activities and get ready for ropes fun at a new level! This is perfect for the camper who would like a different Chanco experience or would like to become a ropes course counselor in the future. Participants in this session must attend a traditional camp session prior to attending Ropes Camp.

For more information or to register for any of our Camp Chanco sessions visit www.chanco.org, email us at hospitality@chanco.org or call us at 888-7CHANCO (888-724-2626). See you this summer! Chanco is you!
