Specialty Sessions

2017

Mariner's Camp:

This is a very popular camp session and fills quickly with a wait list annually! This session involves extensive skill building in sailing and nautical skills and is the perfect session for an older camper who would like a different Chanco experience and who loves being on the water!

Family Camp:

This session offers campers of all ages a chance to enjoy Camp Chanco together. It includes many of the favorite traditional camper activities and you choose how to spend your day! Choose to stay in chalets or pay a bit more and stay in motel lodges. This session is the perfect opportunity to introduce a new camper to Chanco or reunite with camp friends. It is an incredible, affordable family vacation!

Ropes Camp:

Challenge yourself to new heights on high elements and experience team building on the low ropes elements. This camp program will include more intensive ropes skill building, new and different ropes activities, more zip lining time, and a deeper understanding of the ropes experience! This session is perfect for someone aspiring to be a ropes counselor.

Winter Camp:

This session is for campers ages 7-12 and involves many of the traditional activities of summer camp. It is the perfect opportunity to reunite with old camp friends or to introduce a younger camper to Chanco and allow them to experience being away from home before a one or two-week session the following summer!
