Run for Boys Home 5k and Fun Run

September 9, 2017 • Roanoke River Greenway

CHURCHES...

CREATE YOUR TEAMS!

Since we sincerely value our continuously growing relationship with our Episcopal Church friends, we have developed a friendly competition amongst the churches in preparation for our 1st Annual Walk/Run for Boys Home 5K taking place on September 9, 2017! We invite and challenge you to create teams. We feel this is a really special way to engage and support the mission of Boys Home of Virginia while also representing your church in the community.

If you are a member of a church and wish to participate on a team with your church, you may select one of the churches in the Roanoke, New River, Augusta, or Lynchburg Convocations when you register at **runforboyshome.org**. If your church is not listed, contact us (Lauren Ward at lward@boyshomeofva.org or 540-965-7714) and we will add the church. Church teams will compete at two levels: 1) overall finish among the top four participants on each team, and 2) total contributions raised for Boys Home of Virginia through race registrations, sponsorships and donations.

Proceeds from the race will help fund the construction and renovation of elementary school classrooms on the Boys Home of Virginia campus in Covington, VA. We look forward to seeing teams and individuals from your church on September 9th!
