MEDICARE SUPPLEMENT RATE ADJUSTMENTS - LOUISIANA

AUGUST 14, 2017

Dear Valued Agent,

We will be **increasing** premiums for our Medicare Supplement plans for ages <65, **effective August 1, 2017**. For those who are ages 65+, there will not be a rate adjustment. Please note that the area factor for zip codes 700 and 703 has changed. Letters to existing policyholders regarding the rate adjustments will be mailed from our office this week and will take effect after the required 45-day notification period has elapsed.

All New Business applications signed and dated on **July 31, 2017** or earlier should use the previous premiums. Applications signed and dated on or after **August 1, 2017** must use the new premiums.

You may download the new Outline of Coverage located in the "Product Forms" section of our agent portal <https://ren.admin-portal.org/> when it has been updated. Printed versions will be available within the next couple of weeks.

Thank you for your continued support and partnership!

The following rate adjustments by plan will be effective in Louisiana for new business on August 1, 2017.
