Important Reminders

- New Vantage® plans use the "age last birthday" method for determining the age of the proposed insured for insurance purposes. Premium quote calculations should be based upon the proposed insured's issue age (i.e. actual age) on the policy issue date. If a specific (delayed) policy issue date is requested, ensure that the premium submitted is based upon the correct issue age.
- The policy's issue date will be the date that Sentinel Security Life approves the application, unless a preferred issue date is requested in the application. A preferred issue date, for ACP draw purposes, should be indicated by designating a specific ACP draft date in Section 9 (Automatic Check, Debit/Credit Card Plan Authorization) of the application. If the first premium payment is being made by ACP, Sentinel Security Life will draw the first premium the day the application is received unless a preferred issue date is requested. A preferred issue date, to save insurance age, should be indicated in the Agent Notes area of Section 10.
- If a specific draft date is requested, the policy issue date will be the first time that date occurs after the date that Sentinel Security Life receives the application. For example, if the specific draft date requested is the 15th day of the month, and the application is dated January 12th but arrives at Sentinel Security Life Home Office on January 16th, the policy issue date, if approved, would be February 15th.
    - There is **NO** temporary insurance coverage in effect. Ensure that the owner is aware of this.
- In some cases the New Vantage® policy that is issued may differ in policy type and/or insurance amount from what was selected in the application:
    - If the proposed insured does not qualify for the policy type selected, Sentinel Security Life may issue a different type of New Vantage® policy.
    - If the premium amount submitted with the application is more than the amount required for insurance applied for, a refund will be generated for the difference. If the premium amount submitted with the application is less than the amount required for insurance applied for, we will request the additional amount required at the time the policy is delivered.

How to Avoid Delays

- Ensure that all sections of the application are signed as required:
    - Section 9 (Automatic Check, Debit/Credit Card Plan Authorization) **must be** signed by the payer/account holder.
    - Section 10 (Authorization for Consumer Report and Acknowledgment) **must be** signed by the proposed insured, and the owner if other than the proposed insured.
    - Section 10 **must be** signed by the producer(s).
    - Conditional Coverage Receipt **must be** signed by the producer.
- Distribute the following sections of the Application as required:
    - Investigative Consumer Report Notice to Applicant **must be** left with the proposed insured
    - Conditional Coverage Receipt must be left with the owner if the first month's premium is paid with a check or money order at the time of the application.
- If replacing existing insurance or annuity, ensure that the applicable replacement form(s) has been completed. Leave one copy with the insured and return one with the application.
- Ensure that the Authorization to Release Confidential Medical Information is completed and returned with the application.
- List any special policy issuing instructions in the Agent Notes area in Section 10.

Payment of Premiums

- Cash is not permitted for the payment of premium(s).
- Payments by check or money order must be made payable to Sentinel Security Life.
- If the first premium payment is being made by check or money order it must be dated no later than the date the Application was signed by the owner unless a post date is requested.
- If the first premium payment is being made by ACP, make sure the payer is aware that the ACP authorization is effective upon approval of the application unless a postdate is requested.
- Producer cannot make premium payments (unless the proposed insured is the producer or a dependent of the producer).

Completing the Telephone Interview

- Call Apptical at 800-737-6972 to complete the telephone interview portion of the application.
- Include the case number in the Agent Notes area in Section 10 when the interview is completed.
- If the telephone interview cannot be completed at the time of sale, list the reason and the best time to call in the Agent Notes area of Section 13, and the home office will arrange to have it completed.

IMPORTANT NOTICE:
REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased, and in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision, and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ___ YES ___ NO

2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ___ YES ___ NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

LEAVE WITH APPLICANT

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:
Are they affordable?
Could they change?
You're older—are premiums higher for the proposed new policy?
How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:
New policies usually take longer to build cash values and to pay dividends.
Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
What surrender charges do the policies have?
What expense and sales charges will you pay on the new policy?
Does the new policy provide more insurance coverage?

INSURABILITY:
If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
You may need a medical exam for a new policy.
Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid?
How will the premiums on your existing policy be affected?
Will a loan be deducted from death benefits?
What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract?
What are the interest rate guarantees for the new contract?
Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy?
Is this a tax free exchange? (See your tax advisor.)
Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
Will the existing insurer be willing to modify the old policy?
How does the quality and financial stability of the new company compare with your existing company?
