

## **Options for Automatic and Electronic Giving**

One of the most important ways to practice good stewardship with Christ Church is to give regularly and consistently. Automatic and electronic giving options allow you to set regular contributions on a specific schedule, and this helps with the budget and cash flow.

### **1. Regular, automatic check from your bank account to Christ Church.**

For this option, you log into your personal bank account online and set up an automatic “ Bill Pay . ” Then you set up Christ Church in Philadelphia as a payee, with the address 20 N. American St., Philadelphia, PA 19106 , and you set the amount of your gift and, if you want a recurring gift, you set recurring schedule, e.g., weekly, monthly. This option is the most cost effective because there are no charges to either you or the Church.

### **2. PayPal , using a PayPal account**

With this option, you simply go online to the website [www.paypal.com](http://www.paypal.com) . There, if you have a PayPal account, you log in and indicate you are giving to the Church’s stewardship email address [give@christchurchphila.org](mailto:give@christchurchphila.org) and follow the screen instructions, indicating the amount and the source of funds (your bank account, a credit card, etc.

If you do not have a PayPal account, go to the Church’s website [www.christchurchphila.org](http://www.christchurchphila.org). In the middle of the landing webpage you will see a yellow DONATE button. Click that button and you will be taken to the Church’s PayPal account. Indicate the amount of your gift . If you want to set up an automatic recurring gift, check the box to the right
