

### THIRD AND FOURTH GRADE CHORUS

Do you enjoy singing and performing? The MPCS third and fourth grade chorus is the place for you! The purpose of the third and fourth grade chorus is to give the students an opportunity at a young age to experience music through singing, listening, and performing. The development of musical skills not only contributes to the total development of the individual child as an independent maker of music, but has also been proven to increase academic achievement through the neurological development that occurs during the activity.

Chorus builds character! Students who participate in third and fourth grade chorus are committed to a high standard of excellence in their behavior, their self discipline, and personal responsibility to serve others in the group through doing their very best at all times. Students are expected to attend all rehearsals in order to maximize the success of the total group. Students will also serve as representatives of Mount Paran Christian School when performing in the community. Your child will have the opportunity to perform various times throughout the year. Please make a commitment to having your child at every rehearsal and performance. Each student is vital to the success and sound of the group!
