## A CALL TO ACTION

There is a battle of significant consequence taking place in the lives of boys in America. In simple terms, it is the battle between doing what is right or wrong. A study conducted by Louis Harris & Associates tells us the proportion of boys choosing to do what is wrong is alarmingly high. Our nation's youth are struggling with ethical and moral decisions, difficulties which only increase with age. The Cub Scout program teaches, reinforces, and rewards strong moral standards. The program is designed to help your son grow up to be a self-reliant, dependable, and caring individual.

Scouting weaves life-time values into fun and educational activities designed to assist parents in strengthening **character**, developing good **citizenship**, and enhancing personal **fitness**. These three aims along with the 12 core values will give your scout a foundation which will help him make good decisions throughout his lifetime and give him confidence as he grows.

### CHARACTER

Boy Scouting works toward three aims. One is growth in moral strength and character. Character can be defined as the collection of core values by an individual that leads to moral commitment and action, and encompasses a boy's personal qualities, values, and outlook.

### CITIZENSHIP

A second aim is participating citizenship. Used broadly, citizenship means the boy's relationship to others. He comes to learn of his obligations to other people, to the society he lives in, and to the government that presides over that society.

### FITNESS

A third aim of Boy Scouting is development of physical, mental, and emotional fitness. Fitness includes the body (well-tuned and healthy), the mind (able to think and solve problems), and the emotions (self-control, courage, and self-respect).

## CUB SCOUT PROMISE AND MOTTO

**Promise:** "On my honor, I will do my best, to do my duty to God and my country, to help other people at all times, and to keep myself physically strong, mentally awake, and morally straight."

**Cub Scout Motto:** "Do your best!"

## WHAT TO EXPECT

Scouting is fun, but with a purpose. Woven through all the fun is an inspiring program that works by using proven methods to transfer traditional values, build character, and develop leadership skills — all in the context of family fun.

So, expect lots of fun activities like water wars, fishing derby, and homecoming parade as your cub achieves his rank. There are also family activities like spring and fall camping, the Blue and Gold banquet, and much more.

*American families need scouting now more than ever.*

### TIGER (1st Grade or age 7)

To receive the rank of Tiger, the scout participates in six defined adventures and one elective adventure. The scout completes adventures either with his Den, Pack, or family. Adventures include Duty to God, nutrition, hiking, and team building.

Additionally, the Arrow of Light prepares the boy to transition into the Boy Scout Troop in the Spring.
