A family physician may be nominated by their peers for:

- Providing exceptional care to their patients

- Dedicating themselves as researchers and educators of future generations of family doctors

Exemplifying the four principles of family medicine, they must:

- Be skilled clinicians
- Be community based

All CFPC members are invited to submit nominations for Canada's Family Physicians of the Year. Health care colleagues, community leaders, and patients are encouraged to submit letters of support for this nomination.
