

# DELTA CONSERVATION FRAMEWORK

In partnership with Delta agencies and stakeholders, the California Department of Fish and Wildlife has led the development of the Delta Conservation Framework for the Sacramento-San Joaquin Delta, Yolo Bypass, and Suisun Marsh.

The draft Delta Conservation Framework is now available for public review through November 17, 2017. We welcome your feedback!

## THE FRAMEWORK WILL:

- Guide regional-scale planning, permitting, and grant making in support of implementing conservation programs and projects in the Delta, Suisun, and Yolo Bypass.
- Lay out a path for integrating stakeholder concerns into regional conservation strategies.
- Inform the amendment of ecosystem elements of the Delta Plan.
