

Want to publicly acknowledge someone for his/her contributions to histocompatibility and immunogenetics? Consider nominating them for an ASHI award!

ASHI RISING STAR AWARD

Recognizes: An outstanding HLA technologist who has worked in the field fewer than three years and desires to pursue a career in HLA

Requirements:

1. Short essay of fewer than four pages describing his/her current work in HLA and why he/she is interested in pursuing a career in HLA
2. Essay must be written by the nominee and validated by his/her lab director or supervisor

ASHI DISTINGUISHED SERVICE AWARD

Recognizes:

ASHI membership past or present, doctoral or non-doctoral

Creativity in moving ASHI in new directions, scientifically and as an organization

Service to ASHI

Educational contribution on behalf of ASHI

Other extraordinary contributions (please explain)

Requirements for nominations:

1. Letter of nomination from an ASHI member
2. Two additional supporting letters
3. Candidate's curriculum vitae

ASHI DISTINGUISHED SCIENCE AWARD

Recognizes:

ASHI membership past or present, doctoral or non-doctoral

Professional scientific accomplishments: theoretical and technical creativity

Special contributions and achievements in their field of expertise

Other extraordinary contributions (please explain)

Requirements for nominations:

1. Letter of nomination from an ASHI member
2. Two additional supporting letters
3. Candidate's curriculum vitae

OUTSTANDING TECHNOLOGIST AWARD*

Recognizes:

Contributions to advancement of technology and science of HLA immunogenetics

Service to ASHI or ABHI as a committee member, director, officer, etc.

Educational contributions on behalf of ASHI at a regional or national level

Certification in histocompatibility

Other extraordinary contributions (please explain)

*ASHI membership (non-doctoral) is required.

Requirements for nominations:

1. Letter of nomination from an ASHI member
2. Two additional supporting letters
3. Candidate's curriculum vitae
4. Cannot have previously received the award

ROSE PAYNE AWARD**

Recognizes:

Distinguished scientific accomplishments in the field of histocompatibility and immunogenetics

Contributions to the advancement of histocompatibility and immunogenetics

Other extraordinary contributions (please explain)

**ASHI membership is not required

Requirements for nominations:

1. Letter of nomination
2. Two additional supporting letters (only one required if nominator is an ASHI member)
3. Candidate's biosketch and curriculum vitae

If you've submitted a nomination in the past and that nominee has not been awarded, you must update and resubmit the nomination. All nominations and supporting documentation must be submitted to [Katherine Miranda](#) by the June 1st deadline.
