

Central Asia Regional Economic Cooperation Program

# ENERGY INVESTMENT FORUM 2016

24 October 2016, Serena Hotel, Islamabad, Pakistan

The Central Asia Regional Economic Cooperation (CAREC) is a committed partnership of 10 countries (Afghanistan, Azerbaijan, Peoples Republic of China, Kazakhstan, Kyrgyz Republic, Mongolia, Pakistan, Tajikistan, Turkmenistan and Uzbekistan), supported by the Asian Development Bank, European Bank for Reconstruction and Development, International Monetary Fund, Islamic Development Bank, United Nations Development Programme, and World Bank working together to promote development through regional cooperation.

**CAREC member countries have substantial need for investment in energy assets. According to the Study for Power Sector Financing Road Map (ADB TA 8727-REG), the estimated investment requirement for priority projects of CAREC member countries (excluding People's Republic of China) between 2017 and 2023 is USD 137 billion.**

The Energy Investment Forum (EIF) will highlight investment opportunities in the CAREC countries by bringing together key government officials, project developers/sponsors, project financiers, equipment manufacturers, and EPC contractors.

## EIF Program at a Glance

Session 1

**CAREC Governments' Incentives to Promote Investments:** Senior government officials will highlight incentives their governments have put in place to attract investments.

Session 2

**Investing in CAREC Countries:** Private investors will share their experiences on successful investments in CAREC countries.

Session 3

**Financing Energy Projects:** A panel discussion with financiers investing in the region.
