ISPE 80th ANNUAL CONFERENCE

SPONSORSHIP REQUEST

The 80th Annual ISPE Conference is not possible without Sponsorship support from businesses and private individual contributions. We thank our sponsors from prior years for their continued support. The generous donations to our annual event is greatly appreciated by the Executive Board and Members of ISPE. Sponsorship options include separate sponsorship for the Installation and Awards Luncheon as well as Platinum, Gold and Silver options that allow free attendance to all technical sessions based on sponsorship level indicated. This year we are offering a Business Track and a Technical Track with a variety of sessions designed to attract a wider range of professional engineers and industries. Professional Engineering Continuing Education requirements have made ISPE's conference an important venue to obtain the PDH's needed, and your Sponsorship will be utilized to present a program that will provide the quality training that Indiana engineering professionals will seek year after year.

We would greatly appreciate your support of our conference this year. With your help, we believe that we can make the ISPE Conference the Premier Engineering Conference venue in the region that Engineers and Sponsors look forward to year after year.

Sponsorship Benefits

Sponsors will have access to licensed engineers from diverse backgrounds and experiences. Whether you are seeking talented engineers for your firm, or just want to interact with engineers with varying backgrounds, our conference is a great networking opportunity. The ISPE Conference is an easy way to present your firm to the Professional Engineers that make the tough decisions for their clients and firms. Some of the benefits for sponsoring the ISPE Conference include:

- Name, Logo, and Contact Information in front of current or future customers
- Give back to your profession or the profession that supports your industry
- ISPE Conference attendance rates are steadily growing
- Establish new industry contacts and reach new markets
- Increase your firm's market Image & Brand
- Your licensed professionals (1 to 3, based on sponsorship level) may obtain required PDH credits, while your firm receives recognition for supporting the Engineering profession

ACCOMMODATIONS

The Marriott Indianapolis North Hotel is conveniently located on the North side of Indianapolis. Overlooking a lake, this modern hotel off I-465 is 10.9 miles from the Indianapolis Museum of Art and 11.1 miles from Fort Harrison State Park. It also places you a short distance not only from downtown Indianapolis, but also from Butler University, the Children's Museum, and the Fashion Mall at Keystone at the Crossing.

Bright rooms offer flat-screen TVs, desks and coffeemakers. WiFi is available. Upgraded rooms have access to a concierge lounge with free continental breakfast. Suites add living areas with sofas and mini fridges. Some have balconies. Freebies include WiFi in public areas and on-site parking. There's a casual lake-view restaurant serving American cuisine, and a bar. Other amenities include an indoor pool and a 24/7 exercise room, as well as a business center and 13,200 sq ft of meeting space.

Reserve your room on or before **May 18, 2017** to receive our group's special rate of \$147 per night + tax. [Click this link to make your reservation.](#)

Business casual dress is recommended. If you have questions about the conference or functions, contact Laurie Howe at ISPE at indspe@gmail.com.

CONTINUING EDUCATION

Each seminar that you attend will entitle you to earn Professional Development Hours (PDH's) that are recognized and approved by the Indiana State Board of Registration for Professional Engineers. ISPE is an "Approved organization" as defined by IC 25-1-4 that offers continuing education courses recognized by the board. We encourage your participation.
