

EAT AND DRINK CHESTNUTS

TO SUPPORT A GREAT CAUSE

A special version of Catawba's Brown Bear Brown Ale aged on chestnuts forged and roasted in WNC. Available only in draft, at all three Catawba Brewing tasting rooms.

Catawba will be hosting The American Chestnut Foundation (TACF) from Noon-10:00PM on November 20, at the 32 Banks Ave location in downtown Asheville. TACF will be roasting chestnuts and educating the public about efforts to save the American chestnut tree. Live bluegrass starts at 6:00PM.

\$1 from every Chestnut Brown Bear Ale sold on November 20 will support The American Chestnut Foundation in restoring this iconic species to the eastern forests of the U.S.
