

# SENIOR PORTRAITS

LEGACY STUDIOS

## SENIOR MAKE UPS FOR THE CLASS OF 2017!

Hough High School has selected Legacy Studios to be your official senior photographer for this year. **We will be taking make up portraits for the Class of 2017 at the school on September 24, 2016 for students who have missed getting their photos done in the summer. We are also working to plan another make up date for **formals only** later in the fall.**

Your yearbook photo will be a traditional head and shoulder pose in the required tuxedo or drape on a standard blue background. This ensures uniform head size and background consistency. Tuxedos and drapes will be provided for your use. Gentlemen, please wear a white t-shirt under a dress shirt for your sitting and ladies, please wear a spaghetti-strapped tank top to ensure a quick change. For the casual you can dress as you wish.

You will be sent full color proofs a couple of weeks following your sitting by email. You will be given a password protected personal online gallery to view and purchase your images!

**There is no charge for a Yearbook sitting.** For all the other sitting please pre-pay for your sitting online or bring the fee with you to your appointment. Cash, credit, checks and money orders made payable to Legacy Studios are accepted.

## SCHEDULE YOUR SENIOR PORTRAIT SESSION TODAY!

Please visit [www.legacystudios.com](http://www.legacystudios.com) to create your appointment online. Click "Book Your Appointment" and enter your school name to be brought to your scheduling site.

Gentlemen, please note – tuxedo jackets size 38 through 56 will be provided for your use. Please make alternative arrangements if another size is required.
