

NEW COURSE FOR PERSONAL AND SPIRITUAL GROWTH

Where do you fit into God's plan for the world? Maybe the answer to that question has changed for you over time. Perhaps you've been through a divorce, moved to a new town, survived a serious illness, retired from an active business life, or lost a spouse and are now navigating the world as a different person. What was true for you twenty years ago may not be true for you now. Maybe you wonder "What does God want me to do *now*?"

If that's the case, a new course being offered to our congregation can give you wonderful new insights into the gifts God has given you and how you can live your faith more effectively and completely. Be a part of this opportunity for personal and spiritual growth!

The course *Discovering God's Vision for Your Life* will be taught in January by a team led by Dawn Rigsby. Beginning on the first full week of January, the class will meet once a week for 2.5 hours in the evening. The class participants will decide together the day and time that works best for them. A registration fee of \$20 covers the cost of materials, refreshments and other supplies.
