IMPORTANT NOTES:

The above ICD-10 diagnosis codes have been added to your Document Plus database for forms CE3 and CE2. These will need to be manually added for use with the Daily Note forms for users who had Document Plus installed prior to October 5, 2016. If you have questions or need assistance with manually entering these codes, please contact Melanie at 888-588-6648 or training@docplus.net.

The codes added were selected based largely on codes used in the average chiropractic practice and may not be all-inclusive for your specific practice. If you have more of a neurological based practice or see a large number of auto accident patients, there may be additional codes you need from these lists.

We highly recommend clicking the link below to review all new codes effective October 1, 2016
