Have you always wanted to learn how to speak Hebrew? Or to build on the language skills you already have? Jewish Federation's experienced Ulpan instructors are ready to help you improve your Hebrew language skills, including conversation, comprehension, grammar, reading and writing.

Courses are taught at all levels in small, interactive classes.

Morning and evening sessions are available. Don't miss out on your chance to learn how to communicate in the language of our people.

Classes begin the week of October 16.
