

# BOY SCOUTS OF AMERICA®

## CAPITOL AREA COUNCIL

### **New Partnership Makes Good Turn In November Easy for Units**

Our council is pleased to announce that Just Serve is supporting Good Turn in November by helping CAC units find service projects.

Just Serve, [www.justserve.org](http://www.justserve.org), matches non-profit organizations with volunteers. This service helps Scouts throughout Central Texas make a difference in their community, wherever they are.

Do a Good Turn in November honors the act of kindness in 1909 in London, England, that was a catalyst for bringing the Scouting movement to America.

#### How you can participate:

Units and Districts – 1) Add Do a Good Turn in November to your unit calendars. 2) Encourage unit leaders to review [www.justserve.org](http://www.justserve.org). 3) Challenge unit leaders to select a November service project for your unit. 4) Promote this service opportunity to your scouts and parents.

Leaders - encourage Scouts to think about Do a Good Turn in November as a strategy to complete their required rank advancement service hours and visit [justserve.org](http://justserve.org) to select a project.
