

# **Reston-Herndon Little League 2017 Spring Umpire Registration**

## **Now Open**

Often an overlooked aspect of our Reston-Herndon Little League program is umpiring. The volunteer umpire is as much a part of Little League as the volunteer manager, coach or concession stand worker.

### **Adult Umpires (Volunteer Position)**

By being an adult volunteer umpire you help RLL defray the officiating costs for our league that might otherwise be passed on to our parents if we do not get adequate adult volunteers to officiate our games or assist our youth umpires. RHLL provides training as well as uniforms, all of which will be provided prior to the start of the season.

### **Youth Umpires (Paid Position)**

**Youths ages 12 and older as of July 31, 2017 are eligible to be youth umpires and are compensated.**

So please go to the link listed below and register today to help our league continue to be one of the best little league organizations in Northern Virginia. Even if you registered to umpire last year, you will need to register again this spring. RHLL provides training and uniforms, all of which will be provided prior to the start of the season.

### **Parent - Child Umpire Crew (Great way to have fun)**

Enjoy the game of baseball with your son by being a part of a parent-child officiating crew. A parent-child team can work together to officiate game together, the parent behind the plate and the child out in the field. These officiating teams enjoy priority scheduling (we will work to make sure you always officiate together) and that your child will have the advantage that they can start their **paid** officiating career a year earlier than a regular youth umpire. (Children need to be age 11 as of July 31, 2017). These teams of umpires will focus mostly on AA game for their first year together and then move up to other league levels after they have completed the first year together.

You need to attend one of the following sessions at Fred Crabtree Green:
