At Temple Emanu-El, we seek to fashion an atmosphere of peace and tranquility on the Sabbath. To help create this environment throughout the Temple, we refrain from writing, taking photographs, texting, and using cell phones. Please join us in observing these traditions as we make Shabbat a sacred experience for us all.

We are pleased to announce that Temple Emanu-El has acquired a second burial section at Swan Point. Our current section is completely full, so this is most welcoming news. Plots in the new section will be available for purchase beginning in August. More details to follow. In the meantime, please feel free to contact Paul Stouber in the Temple office with any questions.

We need more Prayer Books and Humashim

We still need more copies of the Siddur Lev Shalem so that there are enough copies in the Sanctuary when we have celebrations. We also need more Humashim so that everyone can follow the Torah reading. If you would like to donate one or the other of these needed volumes, please contact the office at 331-1616. The Siddur Lev Shalem costs \$36 and the Humash costs \$72.

Jewish Alliance of Greater RI Responds to Family Separation Policy With Local Action

In response to the Federal Government's family separation and child detention policy being carried out on the US/Mexico border

100% of funds raised by Rhode Island's Jewish community will be donated to HIAS (Hebrew Immigration Aid Society), a national Jewish agency with more than 130 years of expertise working to protect vulnerable refugees. Funds will be used to provide legal aid to families separated at the border.

Additionally, we are recruiting volunteers to support the Sanctuary work of First Unitarian Church of Providence. To make a donation or for more information on becoming a volunteer, please go to the Alliance website or contact Stephanie Hague at shague@jewishallianceri.org.

In case you missed the premier of the **Sons of Providence** documentary (or if you want to see it again!), we are happy to announce that it is now available for viewing online. Click on the following link:

<http://scalar.usc.edu/works/sons-of-providence/march-30-presentation-video?t=1528998952963>

You can also watch the presentation Professor Arthur Urbano and Dr. Jennifer Illuzzi gave on campus to introduce the project during the PC Centennial Year celebrations in 2017 as well as the introduction and Q&A from the premier screening. While you are on the site, you can also browse the other materials Professor Urbano and Dr. Illuzzi gathered in the course of their research and read a bit more about the fascinating history of Jews at Providence College in the first half of the twentieth century.

Watch for more public screenings and discussion of the documentary later this summer. More info to come!

In case you missed the interview with Professor Urbano and Dr. Illuzzi on RI Public Radio's Chuck Hinman, you can hear that here:
