

November 4, 2017

Dear Sheriff:

On behalf of the National Sheriffs' Association (NSA), the Michigan Sheriffs' Association (MSA), the Michigan Association of Chiefs of Police and the Prosecuting Attorneys Association of Michigan, (PAAM). I would like to invite you to participate in our upcoming Michigan Opioid Roundtable on Thursday, November 30, 2017. The event is being hosted jointly by the four associations listed above with invitations being extended to important stakeholders across the State of Michigan.

In light of the current opioid epidemic, I believe it is critical for stakeholders from the law enforcement, public safety, first responders, education, medical, business, and labor communities to come together to clarify the successes and challenges already identified by our memberships.

The event is being held from **1:00-5:00** at the [Radisson Hotel](#) at the corner of Michigan and N Grand Ave. Lansing Michigan. A short distance from the Capital in downtown Lansing. **111 N Grand Ave, Lansing, MI 48933**. Refreshments will be provided to those in attendance.

To help focus our agenda, each organization is encouraged to submit a document of no more than 10 pages with any recommendations and current programs your organization may already have in place. Please email it to [carrie@sheriffs.org](mailto:carrie@sheriffs.org) in Word or PDF format no later than close of business on November 24<sup>th</sup>.

Please confirm your attendance by emailing Carrie Hill esq of the NSA with your name, title, and contact information. I thank you for your consideration of this invitation and, in advance, for your prompt reply. Finally, for more information and logistical details, your staff can contact **Carrie Hill at 612-306-4831**.

Sincerely,
