Thank you for applying. These funds have been donated to the MHTTF for the purpose of training of criminal justice workers. If you are accepted and we hope that this is possible, **100% of the** tuition fee of the \$180 will be **covered for sworn police officers**, federal, state or local.

For those in the **field of corrections** which includes CO's, probation and parole, and supervisor/management, the tuition fee of **50% is eligible**. That means that the fee of \$90 will have to come from resources that you have. That can be prepaid from the official registration form.

Please note: Hotel costs are NOT covered. Two meals are covered each day and are included in the tuition cost.

Don't hesitate to write if you have questions. Thanks. Jane White janemhtf@gmail.com

We will try to let you know within 7 days of application.
