TOGETHER WEE CAN "CELEBRATES 10 YEARS" 2018

Wee Watch's unique program, "Together Wee Can", provides a wonderful opportunity to bring all of our homes across Ontario together to participate in themed activities and events on specific days, weeks and months throughout the year.

Planning a few events each year strengthens the Wee Watch community we are all part of as well as the community we live in.

This year, 2018, marks the 10th anniversary of when Together Wee Can began! Wee Watch is thrilled to announce this year's theme; Together Wee Can "Celebrates 10 years". This year will include some of our favourite themes and events from the past 10 years.

May 14-18, 2018: Mad Science Week

Scientists learn about the world we live in by carrying out all sorts of experiments and investigations. Wee Watch is excited to encourage a love of science by bringing back our "Mad Science Week". During the week of May 14-18, Providers and children will complete an experiment each day using the instructions included and filling out an experiment sheet for each one, recording what they think will happen, what happened and what they learned.

June 25-29, 2018: Celebrate Canada

Canada Day is celebrated each year on July 1st. Last year in honour of Canada celebrating 150 years, Wee Watch homes spent the whole year exploring and celebrating all things Canadian with Together Wee Can "Celebrates Canada 150".

With Canada Day around the corner we thought it was a great time to bring back some of our favourite activities from Together

Wee Can "Celebrates Canada 150". For the week leading up to Canada Day, children and Providers will celebrate Canada by participating in Canadian themed games, activities and crafts.
