

Wee Play & Learn

Wee Builders
(3 – 4 years):
Snow Paint

What you need:

- Food colouring or paint
- Squirt bottles
- Snow

What to do:

1. Combine several drops of food colouring or paint with water in a squirt bottle and mix, using one bottle for each paint colour that you wish to make.
2. Children can then take the squirt bottles of paint and make designs in the snow.
