(6+ years):
Painted Stones

What you need:

- Smooth stones
- Acrylic paint
- Water container
- Small paint brushes
- Markers
- Clear nail polish (optional) or white glue
- An old t-shirt or apron

What to do:

- Collect a range of different sized and shaped stones and let your child paint them.
- You can also use markers to decorate the stones.
- Once the stones are painted and dry, they can be varnished with clear nail polish or a coat of white glue, let rock dry fully.
- Display on a window ledge, in your garden or use as a paperweight.
