Wee Learners
(4-5 years):
Homemade Snowballs

What you need:

- Cornflour-2 x 500 g
- Shaving cream-2x250 g
- Bin for mixing

What to do:

1. Pour the Cornflour into a large bin.
2. Add the shaving foam.
3. Give it a really good mix.
4. Shape your snow into snowballs. How many can you make? How high can you stack them?
