Water Bottle Flowers

What you need:

- Water bottles
- Scissors
- Paint
- Paint brushes
- Yellow pom-poms – about 1/2 inch wide
- Glue
- Green straws
- Green construction paper

What to do:

- Cut the ends off the water bottles
- Paint the inside of the bottle ends and let dry
- Cut some little leaf shapes out of the green paper
- Trim your straws to the desired length and glue to the back of the bottle
- Turn the bottle end around and use glue to add the yellow pom-pom
- Glue on the leaves to the straws.
