

Nurses Rock!

May Spa Specials

National Nurses Week is May 6-12.

Gift the perfect, heartwarming treat to your favorite nurse (or yourself).

Relaxing Warm Stone Massage (50-minutes) | \$80

Our warm stone massage is a deeply relaxing massage treatment that is very effective for soothing frazzled nerves, relieving aching joints and melting tight muscles. The warm, penetrating heat of the stones seeps into every layer of the body as one of our skilled therapists works the tightness, soreness and tension away.

Time to Shine

25% off Balayage Hair Color, Brazilian Blowout* & Keratin Smoothing Treatment during the months of May & June.

Brazilian Blowout*

Through the use of bonding technologies, this customizable smoothing treatment actually improves the condition of the hair by creating a protective protein layer around the hair shaft to eliminate frizz and smooth the cuticle.

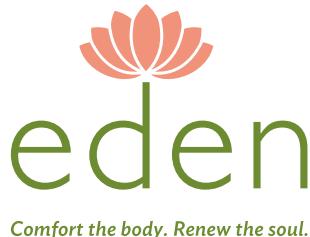

Balayage Hair Color

Upgrade your tresses with this technique of hand-painting strands that results in a beachy, sun-kissed look. Complimentary hair color consultations upon request.

Keratin Smoothing Treatment

Get rid of frizz this summer and add brilliant shine to your hair with our formaldehyde-free Keratin Treatment. Safe for all hair types. Results last 3-5 months.
