

Grapefruit ManiCURE

October Spa Specials

This deluxe manicure is the ultimate “facial for the hands”.

This limited-time service begins with an exfoliation using our Feel Refreshed pink grapefruit sugar scrub that will deeply hydrate and help restore skin to a more youthful appearance.

As a warm neck wrap melts tension around your shoulders, your hands will be dipped in warm, grapefruit-scented paraffin to soothe and moisturize. Next, our exclusive Feel Refreshed oil-infused whipped butter will be used for a relaxing hand massage. Cuticle care, nail filing and nail polish complete this decadent experience.

Paint your nails a pretty pink to promote Breast Cancer Awareness month.
