

2017 ITS California Annual  
Conference and Exhibition  
San Francisco Airport Marriott Waterfront  
**September 18 – 20, 2017**

### Call for Abstracts

ITS California invites interested parties to submit abstracts in support of its 2017 Annual Conference and Exhibition to be held September 18 – 20, 2017 in San Francisco. ITS California seeks abstracts regarding intelligent transportation technologies, their practical or theoretical application, and their benefits to our communities. The following are example topic areas; any transportation technology topic will be considered.

- Smart Cities
- Automated and Connected Vehicles
- Preemption and Priority
- Systems and Signal Performance Measures
- ICM
- HOT/Express Lanes/Tolling
- Safety
- Freight
- Multi-modal Systems
- Environment and “Green” Technology
- Emerging Technologies
- Funding ITS
- Case Studies

The deadline to submit abstracts is **Friday, March 3<sup>rd</sup>, 2017 at 4:00 PM**.

Interested parties may download the 2017 Annual Meeting Abstract Submission Form at [www.itscalifornia.org](http://www.itscalifornia.org) or by clicking the link, below:

***Click here to download the 2017 Annual Meeting Abstract Submission Form***

Abstracts should emphasize how technology helps transportation professionals to design, build, and operate safe, efficient, and environmentally responsible systems in our communities.

We look forward to your submission being included in our Annual Meeting!
