No Scrumming Allowed..... on God's Team!

Have you ever seen a group of nine year olds playing basketball? It is pure pandemonium. A few years ago at my son's game, I realized how dangerous it is to be holding the ball. Any poor fellow who loses control of dribbling (which happens quite often) is pounced on by his opponents as well as his own team. Sure enough every child was pouncing on a loose ball, when the referee blew his whistle and yelled "Scrum". My husband and a few other fathers chuckled and I asked him what Scrum meant. He said it was a rugby term and it happened when a pile up happened on the field.

It reminds me of the Church. We are essentially God's team with different gifts and personalities. We all need to work together for the glory of God. When we all help and share the work of the church, our team works more efficiently and we are much more happy. When we are all concerned about our own thing and not concerned about the team, we tend to pile up.

May we all look at ways we can help out our team

scrum

1. A play in Rugby in which the two sets of forwards mass together around the ball and, with their heads down, struggle to gain possession of the ball.
2. A disordered or confused situation involving a number of people.

at TLC with joy and thanksgiving. In this way God will be glorified.

"The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ."

Praying for No Scrumming,

Tammy

Our Faith Stories, Treasures to Share

Our Faith Stories.....Treasures to Share

This winter our senior high youth group will have guest speakers come to youth group to share their faith journey.

If you are interested in coming and sharing your faith to a group of amazing kids, please let Tammy know.

ASH Wednesday
