

Join us for Sibshops!

For brothers and sisters, **ages 8-12**,
of kids with special developmental
needs

Sibshops with Swindells Resource Center are lively, pedal-to-the-metal, award-winning celebrations of the many contributions made by brothers and sisters of kids with special needs. Sibshops acknowledges that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many, somewhere in between. They reflect a belief that brothers and sisters have much to offer one another – if they are given a chance.

The Sibshops model mixes information and discussion activities with new games designed to be unique, offbeat and appealing to a wide ability range. **Sibs ages 8-12!** Please join us for this day of celebration of you:

- Games
- New friends
- Discussion activities

Snacks will be provided for the sibs. If there are any specific diet restrictions, please feel free to send along a snack. Register Soon. Space is limited.

A \$10 donation would be appreciated for participation in Sibshops.
