

# RESOURCES FOR MEMBERS

## LEARN

*Supporting funders to deepen their human rights knowledge and strengthen their grantmaking practice*

**Conferences, Learning Visits & Institutes** enable funders to explore critical human rights issues, learn from their peers and hone their grantmaking craft

**Telebriefings** help funders share emerging strategies & stay abreast of the latest human rights developments

**Resource Archive** is a robust collection of lessons learned from our educational events

**Collective Change: The Value of Mobilizing Local Resources for Women's Rights in the Global South and East** in collaboration with Prospera - International Network of Women's Funds, this report examines the experiences of ten women's funds with local resource mobilization

## CONNECT

*Linking funders across the globe to build the field of human rights philanthropy*

**Working Groups** reflect the initiative and energy of IHRFG members, serving as a forum through which members can delve into issues of common interest

**Funders Directory & Directory of Rapid Response Grantmaking** offer valuable contacts for funders, grantseekers and human rights defenders

**Newsletter & Blog** are platforms for our members to promote ideas and share news, publications and events with the human rights funding community

## STRATEGIZE

*Equipping funders with data to support strategic decision-making and facilitate opportunities*

**Advancing Human Rights: Knowledge Tools for Funders** is a multi-year effort to track the evolving state of global human rights funding through data and powerful research tools

**HumanRightsFunding.org** the first public website that visualizes human rights grantmaking

**Foundation Maps: Human Rights** our funder-only map allows funders to view grants-level data and search at the intersection of different issues, populations, and strategies supported

**Funders Initiative for Civil Society** enables donors to provide leadership and practical support for civil society actors contesting the global trend of closing space for civil society

# WORKING GROUPS

## ISSUES

- Conflict & Atrocities Prevention** encourages donor coordination to prevent instances of conflict and mass atrocities and respond to conflicts effectively if preventative efforts fail. (Co-hosted by the Peace and Security Funders Group)
- Cross-Border Philanthropy** promotes a more enabling environment for civil society through information exchange, research, donor advocacy, and collaboration. (Co-hosted with Ariadne and the European Foundation Center)
- HIV & Human Rights** exchanges strategies and pursues shared funding goals at the intersection of the human rights and HIV movements. (Co-hosted by Funders Concerned About AIDS)
- Sexual and Reproductive Health & Rights** explores issues such as non-discrimination and inclusion, access to sexual and reproductive health care and information, and freedom of decision-making and expression regarding sexuality, sexual orientation, gender identity, and reproduction.

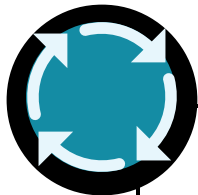

## POPULATIONS

- Children & Youth Rights** shares information, collaborates, and promotes children and youth rights as a component of a broader human rights strategy.
- Disability Rights** advances the rights of persons with disabilities, increases funding for and mainstreams disability rights into the broader philanthropic community, and promotes implementation of the UN Convention on the Rights of People with Disabilities. (Co-hosted with Ariadne)
- Human Rights Defenders** highlights critical concerns, promotes collaboration, and shares information on grantmaking strategies to support human rights defenders worldwide.

## REGIONS

- Asia & Pacific Funders** discusses funding strategies, challenges, and opportunities related to supporting human rights in Asia and the Pacific. (Co-hosted with the EDGE Funders Alliance)
- Latin America Funders** shares news and events and discusses challenges and opportunities related to supporting human rights in Latin America.

## GRANTMAKING PRACTICE

- International Grants Operations** develops solutions to emerging challenges in international grantmaking, particularly in light of increasing restrictions on civil society and foreign funding. (Co-hosted by Ariadne)
- Learning, Monitoring and Evaluation** advances monitoring and evaluation in the context of social change and strengthens human rights funders' monitoring and evaluation practices.
- Participatory Grantmaking** shares and increases the effectiveness of participatory grantmaking, and democratizes philanthropy by encouraging donors to become more inclusive in their funding practices. (Co-hosted by Ariadne)
