

MID-ATLANTIC REGIONAL FUNDRAISER

# Starfish Dash Philadelphia

On September 17, we had three spirit runners (Heratio Alexander, Cierra Fudala, and Charlotte Carlucci) and three participants (Anne May, Mike Fudala, and Liz Woodfield) representing the Chromosome 18 Starfish Dash at the Philadelphia Rock 'n'Roll event. It was a wonderful event and a great day for a walk with Chromosome 18 friends all while raising nearly \$1,400 for the Registry.
