

Starfish Dash - San Antonio Rock N Roll Marathon

We had our second annual Chromosome 18 Starfish Dash, an official Fiesta event, on December 2nd and 3rd. Thank you to all of the participants but particularly to Marisol Garcia & Jeff Pompeo for such a wonderful job with teams and fundraising! Special shout out to the support team of Jannine Cody, Elizabeth Cody, and Mark Sogard. Congratulations to all of the teams that finished so strong!
