

Dear Chromosome 18 Conference Attendees,

We look forward to welcoming you to the Renaissance Harborplace Hotel. Please note that upon arrival on July 1, only king rooms will be available. We will be able to provide rollaways should one be needed. For guests with a preference for queen/queen accommodations, we will be able to relocate you to this room type on July 2. We do apologize for any inconvenience. We will work with your meeting planner to make your room change as seamless as possible. We ask that you bring your luggage to the front desk on Monday morning and the bellman will move your luggage to your new room when it is available. Once available, we will bring the new room keys to your meeting room.

For the inconvenience, we are providing complimentary microwaves and internet in your guestroom. Microwaves are available on a first come, first serve basis and should be requested at check in.

Sincerely,
Renaissance Harborplace Hotel
