# *25th Annual Chromosome 18 - Decoded*

Baltimore, Maryland  
July 2-4, 2018

Three days of families coming together to share, discover and build friendships to better help understand chromosome 18 abnormalities. This annual event is the corner stone of why the impact of research and education is so important to every family affected with chromosome 18 abnormalities.

By being part of the 25th Annual Chromosome 18 - Decoded your organization can make a difference to the lives of these individuals and families affected by chromosome 18 abnormalities.
