Cookies Policy | Last updated: July 11, 2018

Chromosome 18 Registry & Research Society ("us", "we", or "our") uses cookies on the <https://www.chromosome18.org> website (the "Service"). By using the Service, you consent to the use of cookies.

Our Cookies Policy explains what cookies are, how we use cookies, how third-parties we may partner with may use cookies on the Service, your choices regarding cookies and further information about cookies.

What are cookies

Cookies are small pieces of text sent to your web browser by a website you visit. A cookie file is stored in your web browser and allows the Service or a third-party to recognize you and make your next visit easier and the Service more useful to you.

Cookies can be "persistent" or "session" cookies. Persistent cookies remain on your personal computer or mobile device when you go offline, while session cookies are deleted as soon as you close your web browser.

We use both session and persistent cookies on the Service and we use different types of cookies to run the Service:

- **Essential cookies.** We may use essential cookies to authenticate users and prevent fraudulent use of user accounts.
- **Preferences cookies.** We may use preferences cookies to remember information that changes the way the Service behaves or looks, such as the "remember me" functionality of a registered user or a user's language preference.
- **Analytics cookies.** We may use analytics cookies to track information how the Service is used so that we can make improvements. We may also use analytics cookies to test new advertisements, pages, features or new functionality of the Service to see how our users react to them.
- **Advertising cookies.** These type of cookies are used to deliver advertisements on and through the Service and track the performance of these advertisements. These cookies may also be used to enable third-party advertising networks to deliver ads that may be relevant to you based upon your activities or interests.

Third-party cookies

In addition to our own cookies, we may also use various third-parties cookies to report usage statistics of the Service, deliver advertisements on and through the Service, and so on.

What are your choices regarding cookies

Please note, furthermore, that contradictions against the creation of usage profiles partly work through a so-called "opt-out cookie". If you delete all cookies, a contradiction may therefore no longer be taken into account and must be collected again by you.
