Phantom Tea and Phantom Wine

Chromosome 18

What is Phantom Tea & Wine?

It's Time for Our Annual Fundraiser!

Phantom Tea and Phantom Wine are the two largest fundraisers of the year for funding chromosome 18 research. During this time, we ask our members to invite their family and friends to a tea or wine party (virtual or actual). On the first Sunday in December, people around the world will sip tea or wine in honor of those we care about with a chromosome 18 condition. Every person who participates brings us closer to making chromosome 18 conditions the first treatable chromosome abnormalities!

Why Participate?

The vast majority of our funding comes directly from Chromosome 18 families and their friends and families who want to make a difference in the lives of every affected person and their loved ones. Without your support, our work would not be possible.

-My family looks forward to their invitation every year.

-I love this fundraiser, we throw a tea party and toast to many years of research progress!

The success of Phantom Tea & Wine is dependent on us as Registry members.

Even one invitation sent **will** make a difference!
