

The Children's Theatre OF CINCINNATI

NEW! "SENSORY-FRIENDLY" PERFORMANCES

The Children's Theatre of Cincinnati is proud to present TCT's first ever "sensory-friendly" performances, intended for individuals on the autism spectrum, as well as people with other special needs who may benefit and their families.

To create a "sensory-friendly" performance:

- The show is being performed in a welcoming, supportive environment for those with sensory challenges.
- Slight adjustments to lighting and sound will be made for the performance. Effects such as fog, strobes, and lights that extend into the audience will be minimalized.
- In the theater lobby, there will be an area staffed by specialists in the field where you and your child can take a break from the performance.
- A downloadable Social Narrative (in Word format) with pictures of the theatre and the production will be available on our website, designed to personalize the experience for individuals wishing to prepare for the show. These will be posted one week prior to each production.
- Additional resources for this performance, such as a Character Guide, and a Guide to Attending the Show will also be available one week prior to each production.

TCT staff, actors, ushers and volunteers are receiving training to ensure an excellent experience for you and your family.

THE DESIGNATED "SENSORY-FRIENDLY" PERFORMANCE WILL OCCUR DURING THE MONDAY 12:30 PM PERFORMANCE FOR EACH PRODUCTION.

**MONDAY, DEC 12
12:30 PM**

**MONDAY, FEB 13
12:30 PM**

**MONDAY, APRIL 10
12:30 PM**
