Children's Day Camps!

Summer Day Camps at Ellis provide children with the opportunity to learn the basics of horse care and horse behavior. They get involved in fun, hands on activities that teach safe, responsible care for horses. Children learn confidence around the horses by feeding, grooming, leading, and riding the animals on a daily basis at our camps!

In addition to getting hands on with our horses, our camps provide a daily craft and a variety of games and activities to keep your child busy and having fun while they are here at Ellis!

Our summer camps here at Ellis are divided into three different age groups to accommodate to the needs of each child.
