CLEAN OUT YOUR BOOK SHELVES

PTA BOOK SWAP is coming...

Time to clean out your children's book shelves! Set aside GOOD CONDITION but unwanted books for the annual
PTA **Book Swap** the week of **April 24-27**

How Book Swap works:

- On Monday and Tuesday, April 24-25, children will donate their books before the first bell in the cafeteria.
- **For every 2 books they donate they will receive one ticket.**
- Tickets may be redeemed for books on the Wednesday and Thursday April 26-27 before the first bell in the cafeteria.
- Any books not selected will be donated to Norton Park and/or Powers Ferry Elementary.
- We have donated thousands of books over the past years! This is a fun cause to teach our children about service by recycling their books, helping others and getting '*new*' *free* books at the same time.

We are always in need of **advanced** chapter books for older elementary reading levels. To encourage donations of chapter books, your child will receive a special **GOLD** raffle ticket for each advanced chapter book donated that has **200 pages or more**. We will be giving away small prizes for lucky raffle winners.

We are unable to accept donations for books that are either preschool reading level, religious, sticker, Chick-Fil-A or adult genre.
