

CDM MIDDLE & HIGH SCHOOL

FOUNDATION

PURCHASE A RECOGNITION TILE IN SUPPORT OF THE NEW

LEARNING RESOURCE CENTER

To migrate the CDM Library's educational model to a modern learning environment, the CDM Foundation will use the generous donations from many CDM Families to add: multimedia, tablet stations, private student project rooms, large class tech room, improved private office space, team tech work areas, parking lot main entrance, smooth flow to/from the Student Resource Center (SRC), all furnishings, tablet support station, and much more. Thank you to our Foundation contributors, our Fund-a-Need Neptune Ball donors and our Donor Tile purchasers. Without this generous support, the educational enhancement of our outdated library would not be possible.

**Purchase a Tile by credit card @ CDMFoundation.org
or mail this form with a check to the address below
